The image shows a 'Shared Space Settings' dialog box with a title bar containing a question mark and a close button. The dialog is divided into a 'General' tab and four sections: 'File Group Names', 'File Replication', 'Member Contributions', and 'New Content'. Each section contains a small icon and two radio button options. The 'File Group Names' section (902) has a folder icon and options for 'Display only name for files (default)' and 'Display contributor name with files'. The 'File Replication' section (904) has a document icon and options for 'Copy files locally "as needed" (default)' and 'Copy files locally when added to group'. The 'Member Contributions' section (906) has a group of people icon and options for 'Members can contribute files (default)' and 'Only the owner may contribute files'. The 'New Content' section (908) has a document icon and a text field 'Content is new if added in last 7 days' with a dropdown arrow. At the bottom right is a 'Restore Defaults' button, and at the very bottom are 'OK', 'Cancel', and 'Apply' buttons.

Shared Space Settings

General

The figure shows a software dialog box titled "New Shared Space Member Wizard". The dialog box is divided into two main sections. The left section contains a stylized graphic of a window or folder. The right section contains the text "New Shared Space Member Wizard" and the question "How do you want to add the new member?". Below this question are two radio button options. The first option, "By email address", is selected with a filled radio button. Below it is a text field containing the word "Administrator" and a small downward arrow. The second option, "Use existing contact", is unselected with an empty radio button. Below it is a text field containing a person icon and the text "USER2", followed by a small downward arrow. At the bottom right of the right section is a graphic of two stylized human figures. At the bottom of the dialog box are three buttons: "< Back", "Next >", and "Cancel".

New Shared Space Member Wizard

How do you want to add the new member?

☒ By email address

Administrator

☐ Use existing contact

USER2

The diagram shows a software dialog box titled "Change Member Role Wizard". It features a title bar with a standard window icon and a close button. The main area is divided into two sections: a left sidebar with a graphical representation of a folder structure, and a right pane. The right pane contains the title "Change Member Role Wizard", two dropdown menus, and an icon of two people. The first dropdown menu, labeled "Member name:", shows "USER2" and is pointed to by reference numeral 1402. The second dropdown menu, labeled "New role:", shows "Administrator" and is pointed to by reference numeral 1404. At the bottom of the dialog are three buttons: "< Back", "Finish", and "Cancel". The "Finish" button is pointed to by reference numeral 1406.
